

A NEW APPROACH TO KIDS AND FAMILIES

The inner west is a great place for children and families.

Our area has seen a large influx of young families. Marrickville Council needs to respond to this change.

We need quality childcare, family day care and after school care, high quality playgrounds, sportsgrounds and updated library facilities.

Instead of booking parents for dropping off kids, Marrickville Council needs to work with the community to improve road and traffic safety for our kids.

IF ELECTED, LOCAL LABOR CANDIDATES WILL:

- ✓ increase the number of council run childcare and afterschool places
- ✓ work with every school and childcare centre to develop a traffic and safety plan
- ✓ remove graffiti and fix playgrounds in a timely manner
- ✓ work with schools to share parks and sportsgrounds with our kids
- ✓ prioritise the upgrade of Marrickville Library

Under Labor the Council won the Award for best council in NSW in 2003.

In 4 short years the current Greens dominated council is now listed as financially unsustainable.

Poor financial management means that Council is not providing the basic council services that local residents deserve.

It's time for Marrickville Council to get back to basics.
