

a new approach to our pools

The current Greens proposal for Enmore pool is too big, too ugly and costs too much!

The Greens pool proposal is a massive overdevelopment on Enmore Park that will:

- take valuable green space,
- create parking and traffic issues for local residents,
- endanger the paperbark and fig trees, and
- remove the free BBQ area.

The plans for Enmore Pool are already \$8million over budget. How much more will this monstrosity cost?

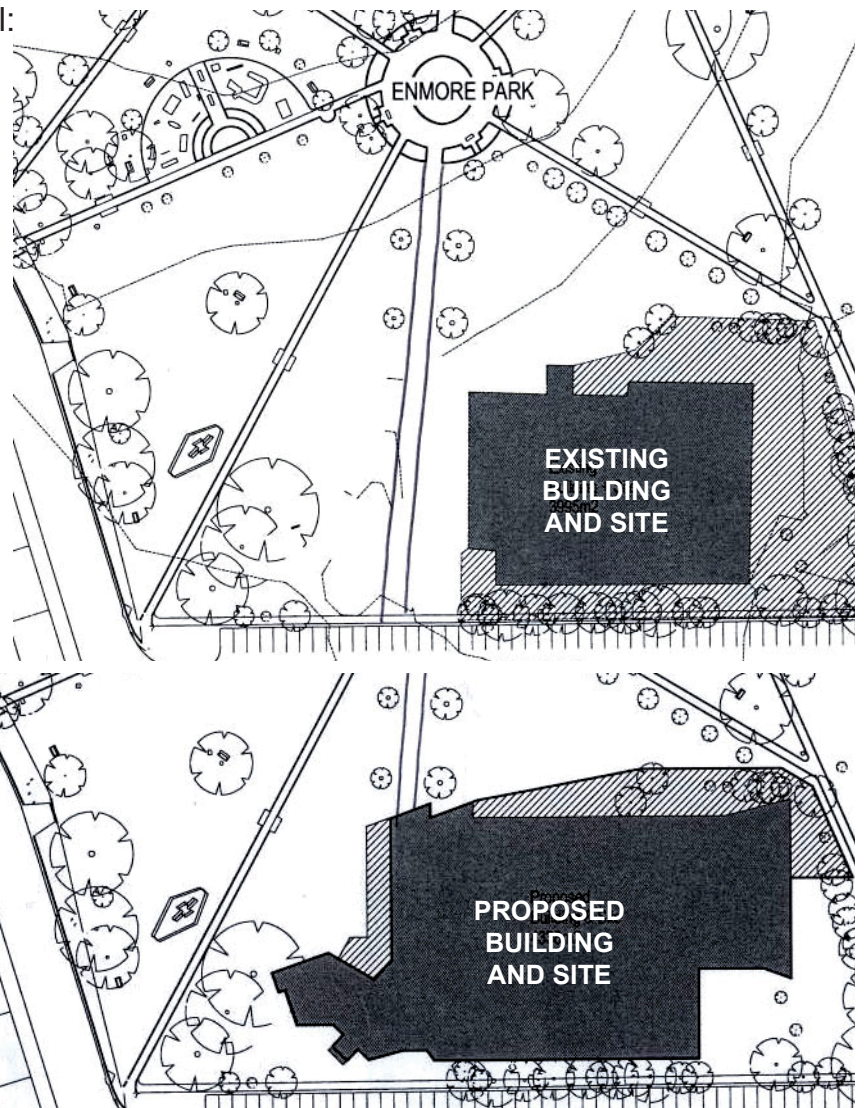

Local Labor is committed to the upgrade of both Enmore and Petersham Pools - an upgrade that preserves our precious parks AND builds quality pool facilities for our community.

Local Labor will consult with all stakeholders: Friends of Enmore Park, Swim50, local residents and local schools.

Local Labor will deliver a pool within the current footprint of the park that meets the needs of all stakeholders.

If elected, Local Labor candidates will:

- ✓ reject the overdeveloped proposal at Enmore,
- ✓ implement a new approach to Enmore Pool, and
- ✓ start the upgrade of Petersham Pool immediately.

fresh team. new approach.
