

A NEW APPROACH TO OUR BEAUTIFUL STREETS

The beautiful houses, parks and beautiful streetscapes are one of the reasons that we all love living in the Marrickville Council area.

In recent times our local streets, lanes and parks are being ruined by rising levels of graffiti, vandalism and illegal dumping.

While there are not easy solutions to these problems, Marrickville Council should be working with local residents, businesses and the police to make tackling graffiti, vandalism and illegal dumping a priority.

IF ELECTED, LOCAL LABOR CANDIDATES WILL:

- ✓ prioritise graffiti removal wherever possible
- ✓ work with local police to identify and catch the small group of people that are responsible for the majority of the graffiti
- ✓ assist residents to find alternatives to graffiti removal such as art walls and information on anti graffiti treatments
- ✓ work with local businesses to reduce illegal dumping
- ✓ increase council resources for education and illegal dumping crews

Under Labor the Council won the Award for best council in NSW in 2003.

In 4 short years the current Greens dominated council is now listed as financially unsustainable.

Poor financial management means that Council is not providing the basic council services that local residents deserve.

It's time for Marrickville Council to get back to basics.
